Last Task Force meeting was held on November 12th.

- Presented the last part of the recommendations. After this task force closes, everything will be sent to a writer who will write up a report.

-

A group of us on the SANE committee are writing a letter to the Task Force leaders, explaining the need to expat access to expungements.

- Supporting potential legislation for
  - Shielding Of non convictions from case search.
  - Working group that would focus on effectuating partial expungements and getting expungement providers access to shielded cases.
  - Survivors of abuse, neglect and exploitation
  - Allowing 4th degree burglary (squatting-a crime that people experiencing homelessness often get charged with) to be eligible for expungements.
